

# NARINDER KUMAR MERNSTACK DEVELOPER

 narinderd9@gmail.com  +91-7717696933  1604-MD2, Indirapuram, Uttar Pradesh, IN

## PROFESSIONAL SUMMARY

---

MERN Stack Developer with 3+ years of hands-on experience building scalable, high-performance full-stack web applications using **MongoDB, Express.js, React.js, Node.js, Next.js, Redux Toolkit, JavaScript, and TypeScript**. Proven expertise in performance optimization of Next.js applications, RESTful API integration, email service implementation, responsive UI/UX design, and cross-functional collaboration. Delivered pixel-perfect, user-centric solutions that improved load times, enhanced user engagement, and ensured seamless scalability across devices.

## WORK EXPERIENCE

---

09/2024 – 03/2025

Remote

### Frontend Developer (MERN)

#### Creative I Technology

- Designed, developed, and deployed interactive, responsive full-stack web applications using **MERN Stack (MongoDB, Express.js, React.js, Next.js)**, achieving fast load times and full scalability across all devices.
- Collaborated with clients and cross-functional teams to deliver custom MERN solutions and reusable component libraries for diverse projects.
- Optimized application performance, code quality, and UI/UX while implementing modern responsive designs and best development practices.

04/2024 – 09/2024

Ludhiana

### React.js Developer

#### Digimantra Labs

- Built scalable React.js applications with Redux for state management and Styled Components for clean, modular interfaces.
- Collaborated on new feature development, troubleshooting, and improvements to ensure a seamless user experience.
- Implemented responsive designs, reduced load times, and took part in code reviews to maintain high standards.

05/2022 – 04/2024

Remote

### Frontend Developer

#### ARKTASTIC

- Developed responsive web applications using React.js, Redux, and Next.js with MERN stack practices, always prioritizing performance optimization and faster load times.
- Integrated email services and managed user communications to boost engagement and improve overall experience.
- Partnered with design and backend teams for smooth integrations, while contributing to code reviews, testing, debugging, and documentation.

02/2022 – 05/2022

Remote

### Junior Frontend Developer

#### Roombuddy

- Integrated frontend libraries to speed up development and create reusable components.
- Built complex responsive layouts that worked beautifully across different devices and screen sizes.
- Applied strong debugging skills to deliver clean, reliable, and user-friendly interfaces.

## EDUCATION

---

2011 – 2015

Mohali

**B.Tech in Electronics and Communication Engineering**  
**Chandigarh University**

## SKILLS

---

Next.js

React.js

Redux Toolkit

JavaScript

TypeScript

Tailwind CSS

HTML5

CSS3

React Query

Performance Optimization

Node.js

Express

MongoDB
